This program gives you access to the International SOS Assistance (I-SOS) worldwide network of dentists and dental clinics. English-speaking I-SOS operators are available around the clock to answer questions and help you schedule care. Maximum Payment - \$1,000 per person total per benefit year on Class I, Class II and Class III Benefits.

Deductible - None.

Waiting Period - Employees who are eligible for dental benefits can be covered on the first day of the month following 90 days of employment.

Eligible People - All full-time employees of the Contractor (your employer) working at least 32 hours per week who choose the dental plan and have the option of PHP as their medical carrier and COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985) enrollees, if applicable.

Also eligible at your option are your legal spouse, your dependent children to the end of the calendar year in which they turn 19, and your dependent unmarried children who are eligible to be claimed by you as a dependent under the U.S. Internal Revenue code during the current calendar year.

If you and your spouse are both eligible under this contract, you may be enrolled as both a Subscriber on your own application card and as a dependent on your spouse's application card. Your dependent children may be enrolled on both application cards as well. Delta Dental will coordinate benefits. Unless this is a Section 125 plan, Subscribers and their dependents who enroll in the dental plan are required to remain enrolled for a minimum of 12 months. Any Subscriber or dependent who drops the dental plan may not re-enroll at a later date. If this is a Section 125 plan, an election may be revoked or changed at any time if the change is the result of a change in family status as defined under Internal Revenue Code Section 125. The Subscriber pays the full cost of this plan.

Benefits will cease on the last day of the month in which the employee is terminated.
